Paul~

Thank you for choosing the Fairfield Inn & Suites-Naperville for your sleeping rooms while playing at the Indian Prairie Showdown. I have already placed the group block of rooms into the system, this way families can make reservations. When they call if they could ask for the Northstar Lacrosse, they will be given the choice of a room with two double beds or an Suite (which has a king size pull out and a full size sofa sleeper this room as a fridge and a microwave.) However once the specific rooms type has been reserved then the group will not be given the choice of room types.

Please also note the last date to make reservations is Friday-July 16 after this then the rooms go back into the system. If you have any questions please call, I look forward to working with you.

Your 3 reservations will be sent to you shortly. Questions please call.
